RE: Vote Explanation on HB 2005(B)

Dear Chief Clerk Sekerak,

The U.S. Supreme Court has previously ruled that laws like **HB 2005(B)** are unconstitutional. Schools will not be safer if we strip law abiding citizens of their Second Amendment rights. Amongst many other reasons, I was a "no" on this bill because of how it will perpetuate the discriminatory nature of gun control laws. Additionally, legislation like this will disproportionately impact black and disabled communities in Oregon.

Sincerely,

A handwritten signature in black ink, appearing to read "Lucetta Elmer".
