Yes Vote Explanation: HB 2045 A-Engrossed

I voted to pass HB 2045, because I believe it is important for the safety of the public. This bill, however, is problematic. I am supportive of the new registration requirement outlined in the bill, but I disagree with the deadline extension. We should allocate the necessary resources to clear the backlog of classifications rather than extending the deadline.

Sincerely,

A handwritten signature in blue ink that reads "Kim Wallan". The signature is fluid and cursive, with a long horizontal stroke at the end.
