No Vote Explanation on HB 2191

I voted NO on HB 2191 for the following reasons and more... there are already existing laws that cover this for students. I also feel strongly that the last situation a suicidal student needs is to be left alone at home. I lost a dear high school friend to suicide, while during the school year, while he was home alone.

Respectfully,

A handwritten signature in black ink, appearing to read "David Brock Smith", with a large, stylized flourish at the end.
