Subject: Vote Explanation HB 2275 A

Dear Secretary Brocker and Publications Coordinator Goulding,

Please accept this vote explanation for HB 2275 A to become a permanent entry in the journal:

In attempt to comply with [Senate Rule 13.02](#), Oregon Statute [ORS 171.134](#), and [Legislative Councils Form and Style Manual](#), I am submitting the following revised measure summary:

*The bill brings together the laws that govern certain grants issued by ODE. It also makes changes to some of those laws. This bill makes schools that apply for SIA funds listen to student success plan groups. It also gives SIA grants to programs for youth in custody. This bill changes the AI/AN student success plan to a model that does not require schools to apply for grants. It also allows agencies to determine college credit funding for high school students. The bill changes some report dates. It also exempts people who work with youth in custody from the state's restraint laws.*

FLESH SCORE: 74.6

Senate President Robert Wagner has also submitted this redrafted summary in the form of the 3<sup>rd</sup> Reading Measure Digest as a floor letter in an attempt to comply with [Senate Rule 13.02](#), Oregon Statute [ORS 171.134](#), and [Legislative Councils Form and Style Manual](#).

Additionally, this revised summary has been read on the record by the bill carrier.

Thank you.

Respectfully submitted,

Senator Lynn Findley  
District 30
