RE: Vote Explanation HB 2682

Chief Clerk Tim Sekerak,

I voted NO on HB 2682 because I believe this legislation makes bicyclists less safe. This bill needs more work in the Senate and my "No" vote is to help give pause and support for additional amendments in the Senate. Safety is important. We need to make sure the legislation gets this right.

Sincerely,

A handwritten signature in blue ink that reads "Denyc Boles".

Denyc Boles

State Representative
