RE: Potential Conflict of Interest on HB 2932

Dear Chief Clerk Sekerak,

I am writing to disclose a potential conflict of interest regarding House Bill 2932, which proposes an amendment to ORS 244.040 to permit public officials to receive compensation from post-secondary institutions for teaching one or more courses.

On occasion, I serve as an adjunct instructor for a post-secondary institution. While this role is part-time and not central to my primary public duties, I recognize that HB 2932 may be interpreted as affecting circumstances similar to mine. Out of an abundance of caution and in the interest of full transparency, I am submitting this disclosure for the public record.

Sincerely,

A handwritten signature in blue ink, appearing to read "Emerson Levy".
