RE: Vote Explanation on HB 3307-A

Dear Chief Clerk Sekerak,

Please accept this letter as my official vote explanation on House Bill 3307-A.

Yesterday's floor session extended for nearly 8 hours. As presiding Speaker Gomberg said yesterday, when Representative Scharf was mistakenly not given the opportunity to speak on HB 2522-A, "Indeed, mistakes are made." Legislators are human, and we make mistakes.

I made one such mistake yesterday when I changed my vote to Nay on HB 3307-A. I intended to change my vote on HB 2522-A, but having seen, read, and voted on so many bills yesterday, I confused my bill numbers. **My original Aye vote on HB 3307-A reflects my true views.**

I do not take my votes as a Representative for the people of House District 22 lightly, and I regret the error.

Respectfully submitted into the House record,

A handwritten signature in blue ink that reads "Tracy Cramer".
