Vote Explanation on HB 4047

To: Timothy Sekerak, Chief Clerk, Oregon House of Representatives

RE: Vote Explanation, HB 4047

I voted 'no' on HB 4047 because I believe that we have a moral imperative to direct a portion of the transient lodging tax to fund our state's critical need for affordable housing and services for the houseless, and I will be working in the 2021 legislative session to make that happen.
