RE: Potential Conflict of Interest on HB 4065A

Chief Clerk Sekerak,

In accordance with House Rules, I respectfully submit to you in writing my potential conflict of interest state on HB 4065A, as stated during today's House Floor Session.

Statement Issue:

"HB 4065A modifies provisions relating to late payment of seed production contracts and seed purchase contracts for agriculture seed and other seed.

My husband's family farm grows seed under contract for seed companies and could benefit from the enhancement of the provisions in this law should they need to file a slow pay no pay claim in the future against a seed company. They have no current claims at this time."

Please contact my office with any questions.

Sincerely,

A handwritten signature in black ink that reads "A Scharf".
