Subject: Potential Conflict of Interest Statement (House Bill 5039A)

Chief Clerk Sekerak:

In accordance with House Rule 3.21, I respectfully submit to you in writing my potential conflict of interest statement on House Bill 5039A, as stated during today's House Floor Session.

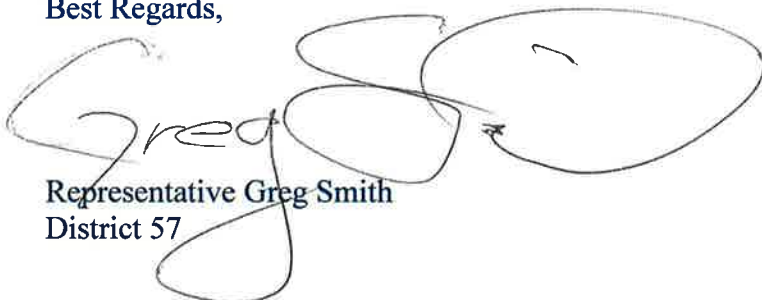

Statement Issued:

"Madam Speaker and colleagues, for the last 22 years I have been a member of a limited liability company that does economic and business development privately throughout Oregon. Quite often, the individuals that my company works with utilize Oregon Department of Transportation (ODOT) services."

"In my capacity as the Malheur County Economic Development Director, I oversee a reload facility project that Senator Bentz implemented. I also serve as a project manager in Linn County for the Mid-Willamette Valley Reload Center, which Representative Andy Olson and Senator Sara Gelser put into the transportation package. Lastly, my company serves as the economic development lead for the Columbia Development Authority, which received \$6.5 Million for valuable infrastructure improvements."

If you have any questions, please do not hesitate to contact me directly.

Best Regards,

Representative Greg Smith
