Re: Rep. James Hieb's vote explanation for House Concurrent Resolution 203

Dear Chief Clerk Sekerak,

I feel the need to explain my vote for HCR203, so that my intent is known.

I support the Nation of Taiwan and that is exactly why I must vote NO. HCR203 states that Taiwan refers to itself formally as the "Republic of China." I do not agree, nor does Taiwan's Democratically elected President.

I cannot vote for something that may be misconstrued as support for the Chinese Communist Party. I believe that China's ultimate intent is the annexation of the sovereign Nation of Taiwan, through the use of military force if deemed necessary. This I cannot support.

Please add this to the 2024 session journal.

Thank You,
