

Mark Meek
State Senator
District 20

April 10, 2023

TO: Lori Brocker, Secretary of the Senate
FROM: Senator Mark Meek
SUBJECT: Vote Explanation: Motion to Withdraw SB 1023

Secretary Brocker,

I voted no on today's procedural motion to withdraw SB 1023 from committee. My vote was on the motion and not the actual bill itself.

Nothing is more important to me than the safety of our families and communities. Oregonians are expecting us as legislators to work together and deliver real solutions to our state's most pressing problems, including gun violence and public safety. My vote on the motion to withdraw SB 1023 should not be misconstrued as disapproval of the legislation or undermining the importance of this topic. As a father and a veteran, I am passionate about making Oregon a safer place for everyone to live, work and raise a family.

My public safety priorities are simple. Fund law enforcement. Hold violent criminals accountable. And keep dangerous weapons out of the hands of those who would cause harm to others.

Taking a bill out of committee is a procedural move that stops lawmakers from hearing opinions, thinking about necessary changes, or checking how it affects the state budget before making a new law. I stand ready to work with all lawmakers – in both parties – to deliver real solutions that will reduce gun violence and improve safety for every Oregon family. Our constituents deserve nothing less.

Sincerely,

Mark Meek
State Senator – Oregon Senate District 20
