RE: Vote Explanation for Senate Bill 430

Dear Secretary Rutledge,

Thank you for the opportunity to provide my vote explanation for Senate Bill 430. I voted yes on this bill because I want to make sure people know what fees they are paying for. However, I was hesitant with my yes vote because I had concerns about unintended consequences, as stated by stakeholders. My hope is that as this bill gets through the next chamber, the stakeholder engagement will increase. Without amendments, the bill could potentially provide confusion, and increase burdens for businesses that are already operating transparently and in good faith. I hope that my colleagues will consider the relevant and needed engagement from those directly affected by the bill to craft a path forward that protects consumers, while supporting fair and functional business practices.

Sincerely,
