

Secretary: Vote explanation please. Senator Boquist

“SB 621 received a ‘no’ vote as the bill overturns a vote of the citizens of Portland. The citizens received an explanation prior to passage they understood. Establishment bureaucrats and politicians apparently want a different process than approved by the voters. There was a lot of misinformation for whatever reason on the Floor. None-the-less, if a changes is desired it needs to be sent back to the local voters.”
