Subject: Vote Explanation SB 819 D

Dear Secretary Brocker and Publications Coordinator Goulding,

Please accept this vote explanation for SB 819 D to become a permanent entry in the journal:

In attempt to comply with [Senate Rule 13.02](#), Oregon Statute [ORS 171.134](#), and [Legislative Councils Form and Style Manual](#), I am submitting the following revised measure summary:

The bill strengthens the law that requires school districts to allow students with disabilities to attend full days of school. It allows school districts to place a student on shortened school days if the child's parents consent in writing. It also allows a parent to revoke consent. The bill also creates new laws about what a school district must do if it places a student on shortened school days. It directs ODE to take action if a school district places a child on shortened school days without a parent's consent. It also lists programs that do not count as shortened school days. The bill also requires school districts to inform parents of children's rights to attend full school days.

FLESH SCORE: 73.6

Senate President Robert Wagner has also submitted this redrafted summary in the form of the 3rd Reading Measure Digest as a floor letter in an attempt to comply with [Senate Rule 13.02](#), Oregon Statute [ORS 171.134](#), and [Legislative Councils Form and Style Manual](#).

Additionally, this revised summary has been read on the record by the bill carrier.

Thank you.

Respectfully submitted,

Senator Tim Knopp
Senate 27
