

I voted NO on SB 882, the Legislative Redistricting Plan mainly because:

This map shores up districts for vulnerable Democrat Senators and does not fairly or accurately represent the needs of communities of interest. It will likely entrench the Democrat's majority for the next decade.

Shores up Democratic Districts to Protect Democratic Incumbents

- Current SD 10 favored Republicans by 0.9% according to the non-partisan redistricting analysis tool DRA 2020.
 - The proposed district now favors Democrats by 7.5%
- Rural Parts of Lane County will still be disenfranchised by the urban interests of downtown Eugene (SD 7 and 4)

Sincerely,

Kim Thatcher
