RE: Vote Explanation on SB 916B

Dear Chief Clerk Sekerak,

I voted yes on SB 916B because I believe this bill is grounded in fairness, dignity, and the basic idea that no worker should be pushed into a financial crisis for exercising their legal right to strike.

Strikes are just one way workers come together in collective action for better working conditions. When workers decide to strike, it is not a decision taken lightly- it is the last option when the rent is due, the refrigerator is empty and the promises at the bargaining table remain broken. This bill is not about promoting strikes. SB 916B is about protecting working people when they have no other choice.

SB 916B is supported by thousands of Oregonians across the state who know what it's like to face hardship and still fight for a better workplace.

For these reasons I voted yes on SB 916B.

Sincerely,

Lesly Muñoz
State Representative
House District 22
