### **Post Urges Governor to Lower Flags for Fallen Oregon Marines**

Salem, ORE. – Representative Bill Post (R-Keizer) formally requested that Governor Kate Brown order all flags in Oregon be lowered to half-staff in honor of two Oregon Marines who were among nine servicemen who lost their lives in an accident near San Clemente Island earlier this month. He has released the following statement:

“Private First Class Jack Ryan Ostrovsky from Bend, and Lance Corporal Chase D. Sweetwood of Portland, deserve our honor and gratitude. These two young men gave their lives in service to our country, and Oregon must not forget the sacrifice they made. I have asked the Governor to do the least she can do, and order all flags lowered to half-staff in their memory. My thoughts and prayers are with the friends and families of these two young men.”
