### **Statement from Senator Floyd Prozanski on Umpqua Community College Mass Shooting Tragedy**

EUGENE – Senator Floyd Prozanski released the following statement on yesterday's tragedy at Umpqua Community College:

"This is the time for all of us to come together and to support each other as we enter into this period of mourning and healing. Roseburg and other Douglas County communities clearly demonstrated their commitment to each other at last night's candlelight vigil. Now, it is important to continue this commitment as we deal with this senseless tragedy. It is also time to honor our first responders and emergency personnel who acted so heroically in helping the victims, survivors and family members in their time of need."

*Note to Editors:* Senator Prozanski accompanied Governor Kate Brown to a command center briefing and last night's candlelight vigil. Prozanski represents Senate District 4 in the Oregon Senate. The district includes portions of South Lane and North Douglas Counties, including the Umpqua Community College campus.
