The formal complaint procedure shall consist of the following steps:~~

~~(1) During a legislative session, the person must file a formal written complaint with the Caucus Leaders. If the person filing the complaint agrees, the Caucus Leaders may work to resolve the complaint informally. If the respondent is either Caucus Leader, or the Caucus Leaders are unable to agree on appointing an investigator within 10 days of the filing of the complaint, Legislative Counsel shall appoint the independent investigator.~~

~~(5) The investigator shall conduct an investigation and, within 14 days after being appointed, present findings of fact and recommendations to the President and the Caucus Leaders, the person filing the complaint, the person who is the subject of the complaint and the members of the Special Committee on Conduct.~~

~~(6) If the person accused of improper conduct is a Caucus Leader, the obligations of that Caucus Leader under this rule shall be assumed by the President.~~

~~18.07 Time Limits:~~

~~(1) The Special Committee on Conduct has jurisdiction over conduct occurring from 30 days before the convening of a regular session of the Legislative Assembly to adjournment sine die. However, if the complaint is filed less than 10 days before adjournment, the President may refer the complaint to an interim committee on conduct.~~

~~(2) If a person files a formal complaint with Legislative Counsel during the interim between legislative sessions as provided in Rule 18.06, the President may appoint an interim committee on conduct for the sole purpose of hearing that complaint.~~

~~(3) Neither committee shall have jurisdiction over any complaint that is:~~

~~(2) At the hearing, only the members of the committee may ask questions of witnesses. The person who filed the complaint and the person who is the subject of the complaint, or a representative of either of them, shall be allowed to present evidence to the committee by suggesting witnesses and documents to be presented to the committee and by suggesting questions that the committee may address to the witnesses. Questions by committee members must be those that a court of law would deem relevant to a civil action involving the same conduct.~~

~~(3) Audio recordings of the committee hearing shall be made by committee staff and shall be made available on an expedited basis to the person filing the complaint and to the person who is the subject of the complaint. No television equipment or tape recording devices other than those used for official committee recording shall be permitted at the hearing.~~

~~(4) If the person filing the complaint or the person who is the subject of the complaint disagrees with the recommendations of the Special Committee on Conduct, either person may request that the committee review the recommendations. The request must be made in writing within 10 days after receiving written notice of the committee's action. The committee must complete the review not later than 10 days after receiving the request.~~

Any formal sanctions recommended against a Senate member must be referred to the floor for approval by a two-thirds majority vote of the Senate before final action is taken against a Senate member.~~

~~(4) The person who filed the complaint may determine that no further action is necessary but is not precluded from pursuing other appropriate remedies, including court action.~~

~~18.10 Malicious or Frivolous Claims.~~

~~If, after a hearing, the Special Committee on Conduct determines that a complaint of improper conduct is frivolous, the person filing the complaint shall be subject to appropriate disciplinary action, including the sanctions set forth in Rule 18.09. A complaint is frivolous only if the complaint was not grounded in fact or warranted by existing law, or was brought forward solely to harass the accused person or to interfere with the work of the Senate.~~

SB 5644 - Beyer requested the following explanation of vote be entered into the Journal:

"I opposed Special Session SB 5644 and HB 3510 which together distribute \$42 million in unanticipated lottery revenues to public schools. This is a projected amount of money that, if we receive it, should be held for future use.

"We passed a school budget during last session that increased funding for k-12 education by about 8% over the previous two year period. In addition to that there was also \$23 million allocated if the economy and revenue projections reached a certain level. That trigger is expected to be reached in the next forecast, so local schools will receive about \$35 per student that they had not anticipated. This amounts to about \$900 per class room of additional revenue.

"I believe the \$42 million should be held as a reserve at this time. Just as your local school board has a reserve fund, I feel the state should also hold some money in case the revenue projections don't materialize. The \$42 million is about 1/2 of 1% of the remaining state general fund budget and less than two percent of the remaining k-12 state budget. Most prudent budget analysts recommend having a minimum of a 2% reserves to cover unanticipated shortfalls. The passage of special session SB 5644 and HB 3510 reduces the remaining unallocated balance to less than \$8.5 million. I don't feel that is prudent management of our state funds.

"Another reason I am opposed to spending this money now is the effect it will have on the budget for next biennium. The \$42 million in revenue today will cost us about \$100 million in the next budget cycle. Without spending that money there is already a \$600 million projected shortfall for the 2007-2009 budget cycle. SB 5644 and HB 3510 will increase that to more than \$900 million. The passing of these bills creates an unsustainable budget that will likely lead to reductions in the next year.

"I have always pledged to only support fiscally prudent and sustainable budgets and I don't feel these bills meet either definition."

SB 1105 - Under rules suspension, read third time. Carried by Prozanski. Call of the Senate demanded by Prozanski joined by Bates and Burdick. All present. On passage of bill the vote was: Ayes, 22; nays, 8 - Beyer, Ferrioli, George, Kruse, Nelson, Starr, B., Starr, C., Whitsett. Bill passed.

SB 1106 - Under rules suspension, read third time. Carried by Deckert. Call of the Senate demanded by Brown joined by Devlin and Gordly. All present. On passage of bill the vote was: Ayes, 22; nays, 8 - Atkinson, Beyer, Ferrioli, George, Kruse, Starr, B., Starr, C., Whitsett. Bill passed.

Senate reverted to the order of Reports from Special Committees by unanimous consent at the request of the Chair.

The following special committee reports were read:

HB 3510 - Report by Joint Special Session Committee recommending passage.

HB 3511 - Report by Joint Special Session Committee recommending passage.

HB 3510 - Beyer requested the following explanation of vote be entered into the Journal:

10.05 Transmitting Measures which may be Reconsidered.

When a member has given notice of intention to move for reconsideration of the final vote passing a measure, the Secretary of the Senate shall not transmit that measure until a motion for reconsideration has been made or the time for making a motion has expired. President has reasonable cause to believe is one of the final days of the session, the President shall immediately put the motion for reconsideration before the Senate.

10.10 Recall of a Measure.

In order to reconsider the vote on a measure no longer in possession of the Senate, a motion to recall the measure is in order. A majority of conferees from each house shall sign the report. A dissenting conferee may indicate that fact when signing the report.

(2) No motion is required to adopt the conference committee report if repassage of the measure is not required. When repassage is required, a motion to adopt the conference committee report and repass the measure is necessary.

(a) During the Long Session, a motion shall not be made sooner than the next session day after the conference committee report has been distributed and then may be made at any time.

(b) During the Short Session and any special session, the motion shall not be made sooner than one hour after the conference committee report has been distributed and then may be made at any time.

(3) On the motion to adopt the conference committee report and repass the measure, a roll call vote is required and the affirmative votes of a constitutional majority (16) is

needed, except in the case of a measure requiring an otherwise constitutionally designated majority vote.

(4) If the motion to adopt the conference committee report and repass the measure fails, the President may appoint another conference committee.

(5) On a motion to refuse to adopt the conference committee report, the affirmative vote of a majority of those present is needed. If the motion is adopted, the President may appoint a conference committee.

If the removal is so ordered, the name shall be removed from the list of sponsors at the next printing of the measure and from the measure history in the Status Report at the next printing.

(4) If removal of the sponsor's name leaves the measure without sponsorship, the name of the committee that reported the measure shall be named as sponsor.

(1) A member may designate that a request for measure drafting services be treated as confidential in accordance with ORS 173.230. Requests from a committee may not be treated confidentially.

(2) Whenever a request is made for measure drafting services, Legislative Counsel shall inform the requester of all nonconfidential requests for similar measures and attempt to consolidate all such requests in one measure. Legislative Counsel shall also inform requesters of confidential drafts when similar but nonconfidential requests are made. This will be done in order to determine whether the requester wishes to consolidate the confidential request with similar but nonconfidential requests.

13.15 Drafting Requests.

(1) During the Long Session, every member shall be entitled to not more than five drafting requests after the January 14 deadline.

(2) Senate committees shall have four measure drafting requests that may be submitted to the Legislative Counsel any time during the Long Session. (c) A member of the Senate must retain relevant documents that are in the member's possession when the member receives a public records request, or a request for discovery of records issued in a court or administrative proceeding, until the request for records is resolved.

(3) A member of the Senate or legislative assistant may, at any time, deliver records required to be retained under this rule to the Legislative Administrator. A person who ceases to be a member of the Legislative Assembly shall deliver records under subsection (2) of this rule to the Legislative Administrator within 60 days after the member ceases to be a member. Records delivered to the Legislative Administrator under this rule must identify the person delivering the records and specify the date on which the records may be destroyed.

(4) In order to ensure consistent and timely compliance with the disclosure provisions of the Public Records Law, a member of the Senate may designate the Legislative Administrator to receive public records requests on their behalf. The Legislative Administrator then will assist the member in preparing responses to requests. Regardless of whether or not a member has designated the Legislative Administrator to receive their public records requests, the member may request assistance from the Legislative Administrator or Legislative Counsel in responding to public records requests at any time.

(5) This rule applies to all records of members of the Senate and legislative assistants, whether created before, on or after the effective date of this rule.

14.10 Distribution of Legislative Publications.

14.20 Legislative Newsletters.

(1) Each member may issue legislative newsletters or other informational material to constituents. Costs for newsletters and informational material may be billed to the member's individual expense account. Such newsletters or other informational material charged in whole or in part against a member's individual expense account may be distributed at any time during a member's term with the following exceptions:

(2) As used in this rule "legislative newsletter" and "informational material" means material suitable for distribution to members of the public informing them of official activities of a legislator or actions occurring before the Legislative Assembly or its committees or affecting its activities when such material is not campaign material and does not serve partisan political purposes. The following subsections explain in detail acceptable and unacceptable mailings:

(a) **Press Releases:** Members may issue press releases to members of the news media (as well as other legislators, Capitol staff, the lobby, etc.) during the 60-day window; however, copies may not be distributed directly to a list of constituents or be posted on members' legislative websites (or even on an external website), if the press release was produced with a state computer or by staff on state time.

(b) **Legislative E-Mail:** Members may not send electronic publications like electronic newsletters, press releases, town hall meeting notices, or other e-mail to a list of constituents from legislative e-mail accounts (or even from personal e-mail accounts, if the material was produced with a state computer or by staff on state time) during the 60-day window. Members may, however, respond to inquiries from individual constituents.

(c) **Legislative Website:** Members may not post copies of newsletters, press releases, town hall meeting notices, or other materials to legislative websites during the 60-day window. IMPROPER CONDUCT**18.01 Work Environment.**

(1) The Senate is committed to providing a work environment free from improper conduct, which includes any conduct, including workplace harassment that discredits the integrity of the Senate.

(2) "Workplace harassment" means treatment or

behavior that to a reasonable person creates an intimidating, hostile or abusive work environment, and includes violent acts for which employers could be held liable. Harassment may be based on a person's sex, race, religion, age, disability, national origin or status as a member of a protected class.

(3) "Sexual harassment" means unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

(a) A person says or suggests that declining to submit to the conduct will affect a person's job, benefits or business before the Legislative Assembly;

(b) A person uses submission to or rejection of the conduct as the basis for decisions affecting another person's employment; or

(c) The conduct has the purpose or effect of unreasonably interfering with a person's performance or creating an intimidating, hostile or offensive environment in which the person works.

(4) "Sexual harassment" includes the following conduct:

(a) Verbal abuse of a sexual nature;

(b) Graphic comment about a person's body or attire;

(c) Touching of a sexual nature;

(d) Sexual advances and propositions;

(e) Sexually degrading words used to describe a person;

(f) Display in the workplace of any sexually suggestive object or picture; and

(g) Any threat or insinuation that a person's refusal to submit to a sexual advance will adversely affect that person's employment, evaluation, wages, duties, work shifts or any other condition of employment or business before the Legislative Assembly.

(5) A supervisor engages in improper conduct by failing to take appropriate action when the supervisor knows or should have known that improper conduct is or was occurring.

18.02 Scope.

The Senate rules on improper conduct apply to complaints brought against Senate members, Senate employees, Senate caucus employees, lobbyists or the personal staff of a Senate

member. Senate personal staff includes legislative assistants, secretaries, interns, volunteers and other staff working in the offices of individual members, the President's office and the caucus offices.

18.03 Notice.

(1) When a legislative session commences, the President shall give the following notice to all Senate members and Senate employees:

If you believe you have been a victim of improper conduct, you have options. You can tell the offender about the action that disturbed you and ask the offender to stop. You can communicate with the offender in person or in writing. You may also use the informal or formal procedures established by the Rules of the Senate as set forth in 18.05 and 18.06 to pursue a complaint of improper conduct if you:

- (a) Do not want to confront the offender directly;
- (b) Have talked to the offender and the offensive behavior has not stopped; or
- (c) Believe your complaint has resulted in retaliation.

In addition, you have the right to file a complaint with administrative agencies and the courts.

(2) Notice of the Senate policy shall be posted in all work areas.

18.04 Special Committee on Conduct.

(1) The President shall appoint members of each party in equal numbers to the Special Committee on Conduct for the purpose of handling the formal procedure set forth in Rules 18.06 to 18.09. The chair shall be a member of the majority party and the vice chair shall be a member of the minority party.

(2) The committee shall adopt rules as necessary, including rules to govern the nature and scope of any investigation conducted pursuant to the Senate rules on improper conduct.

18.05 Informal Procedure.

Persons who believe they have been subjected to improper conduct may simply want the improper conduct to end; they may not want to go through a formal or legal procedure. The following informal procedure addresses this need. However, a person making a complaint need not use this informal procedure before filing a formal complaint with the Senate, administrative agency or court. The informal and formal

procedures in the Senate rules on improper conduct are optional; a person may or may not use them.

(1) The person making the complaint must submit the complaint to an intermediary designated pursuant to subsection (5) of this rule within 30 days of the improper conduct.

(2) The intermediary has two roles. First, the intermediary ensures that the person making the complaint has a safe and nonhostile work environment. The President or the Secretary of the Senate shall assist the intermediary in making the appropriate arrangements. Second, the intermediary listens, answers questions and explains options. The intermediary is not an advocate but a mediator who, with the permission of the person making the complaint, may explore various paths to resolution. An intermediary does not have authority to impose disciplinary action.

(3) The identities of the parties to the informal procedure shall be confidential. Any records related to the informal procedure shall be exempt from public disclosure under the provisions of ORS 192.501 and 192.502 without regard to the public's interest in their disclosure. Confidentiality shall extend until such time as a formal written complaint, if any, is filed with the Legislative Counsel as provided in Rule 18.06.

(4) After meeting with an intermediary, the person making the complaint may decide to take further action and institute formal complaint procedures.

(5) The Caucus Leaders shall designate as intermediaries a reasonable number of Senate members and staff of the Senate, including the Secretary, the Legislative Administrator and the Employee Services Manager. A description of the function of the intermediary shall be prepared by the Legislative Administrator and approved by the Special Committee on Conduct. Designated intermediaries shall be identified by name, with contact telephone number and office location, and a list of the designated intermediaries shall be given to all Senate members and Senate employees. The Senate shall save harmless and indemnify any intermediary against any tort claim or demand arising out of an alleged act or omission occurring in the performance of duty under these rules.

18.06 Formal Procedure.

A person may file a formal written complaint instead of participating in the informal complaint procedure described in Rule 18.05, or may file a formal written complaint if, after participating in the informal procedure, the person is not satisfied with its resolution. The formal complaint procedure shall consist of the following steps:

(1) During a legislative session, the person must file a formal written complaint with the Caucus Leaders. If the person filing the complaint agrees, the Caucus Leaders may work to resolve the complaint informally. However, if there is no informal resolution, the formal written complaint shall be filed by the Caucus Leaders with Legislative Counsel within seven days of the determination that there is no consent or no resolution. During the interim between legislative sessions, the person must file a formal written complaint with the Legislative Counsel.

(2) The person must file the formal written complaint within 30 days of the improper conduct or, if the person has timely begun an informal procedure, within 14 days of the end of the informal procedure.

(3) Upon receipt of a complaint, the Caucus Leaders shall:

(a) Provide the person filing the complaint with a safe and nonhostile work environment with a comparable work assignment; and

(b) Notify the accused of the complaint, the name of the person making the complaint and the nature of the complaint.

(4) After the filing of a formal written complaint with Legislative Counsel, the Caucus Leaders shall appoint an investigator who is not an employee of the Legislative Assembly and who is experienced in investigating complaints of improper conduct of the type alleged. If the respondent is either Caucus Leader, or the Caucus Leaders are unable to agree on appointing an investigator within 10 days of the filing of the complaint, Legislative Counsel shall appoint the independent investigator.

(5) The investigator shall conduct an investigation and, within 14 days after being appointed, present findings of fact and recommendations to the President and the Caucus Leaders, the person filing the complaint, the person who is the subject of the complaint and the members of the Special Committee on Conduct.

(6) If the person accused of improper conduct is a Caucus Leader, the obligations of that Caucus Leader under this rule shall be assumed by the President.

18.07 Time Limits.

(1) The Special Committee on Conduct has jurisdiction over conduct occurring from 30 days before the convening of a regular session of the Legislative Assembly to adjournment sine die. However, if the complaint is filed less than 10 days before adjournment, the President may refer

the complaint to an interim committee on conduct.

(2) If a person files a formal complaint with Legislative Counsel during the interim between legislative sessions as provided in Rule 18.06, the President may appoint an interim committee on conduct for the sole purpose of hearing that complaint.

(3) Neither committee shall have jurisdiction over any complaint that is:

(a) Based on conduct that occurred before the effective date of these Senate rules on improper conduct; or

(b) Filed after the deadline prescribed by Rule 18.06.

18.08 Hearing.

(1) Upon receipt of the formal written complaint and the investigator's report, the Special Committee on Conduct shall schedule a public hearing on the complaint. The committee shall notify the Caucus Leaders, the President, the person filing the complaint and the person who is the subject of the complaint of the hearing date, which shall be not sooner than 14 days after receipt of the complaint and report. The committee must complete its hearing and make its recommendations within 60 days of the filing of the formal written complaint with Legislative Counsel.

(2) At the hearing, only the members of the committee may ask questions of witnesses. The person who filed the complaint and the person who is the subject of the complaint, or a representative of either of them, shall be allowed to present evidence to the committee by suggesting witnesses and documents to be presented to the committee and by suggesting questions that the committee may address to the witnesses. Questions by committee members must be those that a court of law would deem relevant to a civil action involving the same conduct.

(3) Audio recordings of the committee hearing shall be made by committee staff and shall be made available on an expedited basis to the person filing the complaint and to the person who is the subject of the complaint. No television equipment or tape recording devices other than those used for official committee recording shall be permitted at the hearing.

(4) If the person filing the complaint or the person who is the subject of the complaint disagrees with the recommendations of the Special Committee on Conduct, either person may request that the committee review the recommendations. The request must be made in writing within 10 days after receiving written notice of the committee's action. The committee must complete the review not later than 10 days after receiving the request.

18.09 Sanctions.

(1) Any sanction the Special Committee on Conduct recommends must be proportionate to the seriousness of the offense.

(a) For Senate personal staff, recommended sanctions may include reprimand, suspension or termination. The supervising Senate member must impose the sanction recommended for personal staff.

(b) For Senate members, recommended sanctions may include reprimand, censure or expulsion.

(c) The President must impose any sanction recommended against persons other than Senate personal staff and members. Recommended sanctions may include, as appropriate, reprimand, censure or exclusion from part or all of the Senate.

(2) If the committee recommends no action, the formal procedure is concluded and the complaint shall be considered dismissed.

(3) Any recommended sanction resulting from a formal complaint against a Senate member must be recommended to the floor by the Special Committee on Conduct. Any formal sanctions recommended against a Senate member must be referred to the floor for approval by a two-thirds majority vote of the Senate before final action is taken against a Senate member.

(4) The person who filed the complaint may determine that no further action is necessary but is not precluded from pursuing other appropriate remedies, including court action.

18.10 Malicious or Frivolous Claims.

If, after a hearing, the Special Committee on Conduct determines that a complaint of improper conduct is frivolous, the person filing the complaint shall be subject to appropriate disciplinary action, including the sanctions set forth in Rule 18.09. A complaint is frivolous only if the complaint was not grounded in fact or warranted by existing law, or was brought forward solely to harass the accused person or to interfere with the work of the Senate.

18.11 Retaliation Prohibited.

Retaliatory action against any person who participates in any activity authorized or directed by Senate rules is prohibited and constitutes improper conduct within the meaning of Rule 18.01.

EXECUTIVE APPOINTMENTS**19.10 Referral to Committee.**

Following reading of the message from the Governor appointing a person to a position or office requiring confirmation by the Senate, the President shall refer the appointment to an appropriate committee and may refer it to not more than one additional committee. The committee shall consider the appointment as soon as practicable.

19.20 Committee Review of Appointees.

(1) All persons initially appointed to boards, commissions or agencies, subject to the provisions of section 4, Article III of the Oregon Constitution, shall appear before the appropriate Senate committee prior to confirmation by the Senate.

(2) The chair of the executive appointments committee, with the consent of the President of the Senate and a majority of the committee members, may waive appearance before the committee of persons appointed by the Governor.

- (a) the Senate confirm;
- (b) the Senate confirm en bloc;
- (c) the Senate refuse to confirm; or

(d) the appointment be reported to the Senate without recommendation.

19.40 Additional Time for Consideration.

(1) If any appointment submitted by the Governor and subject to Senate confirmation is submitted too late for the Senate to review the recommendation of the committee or otherwise consider the appointment, that appointment shall be carried over to the next convening of the Senate as required by section 4, Article III of the Oregon Constitution and ORS 171.562 and 171.565.

(2) The proposed appointment shall not be considered rejected, or confirmation denied, if the appointment is carried over. The action of carrying over consideration of the appointment shall be duly recorded in the Journal.

19.55 Consideration of Committee Reports.

(1) Action on a committee report recommending Senate confirmation shall be placed on the calendar for the session day immediately following reading or distribution of the report during the Long Session, or as soon as possible following reading or distribution of the report during the Short Session.

(2) If the committee recommendation is to refuse to confirm or no recommendation, action on the report shall take place on the second session day after the session day the report is read or distributed during the Long Session, or as soon as possible following reading or distribution of the report during the Short Session.

(3) The vote on confirmation shall be taken by roll call. The affirmative vote of a Constitutional majority (16) is necessary for confirmation.

19.60 Confirmation en bloc.

(1) If a committee reports on nominees en bloc, the report shall be placed on the calendar for confirmation the next session day after reading or distribution of the list of appointments during the Long Session, or as soon as possible following reading or distribution of the list of appointments during the Short Session.

(2) The motion to recommend a list of multiple boards and commissions to the full Senate is in order. Individuals whose appearance before the committee has been waived under Senate Rule 19.20, may be considered en bloc upon recommendation of the committee.

(3) Any member may require a separate vote by requesting that an appointee be considered separately. The request shall be submitted in writing to the Secretary of the Senate one hour before the session on the day that the confirmation is on the calendar. The request will be announced at the appropriate time and the appointee considered separately from the en bloc vote.

HB 4200 – Close requested the following explanation of vote be entered into the Journal:

“HB 4200 A-Engrossed allows the Governor, the Department of Revenue, and the Business Services Director to negotiate with certain companies who agree to create a minimum of 500 jobs and \$150 million in new capital investment. The Governor and associates can agree to lock-in the single-sales factor tax policy for that company for a period of thirty years.

“I served as one of eight members of the Joint Special Committee for Economic Development. I offered an amendment to the bill, the “dash five” amendment, that would have allowed all Oregon companies to exercise the opportunity to enter into a similar contract.

“The Dash five amendment was voted on in committee and failed. It was unfortunate that what is to become a good law will not include all the innovative and productive small business in Oregon that very much need those kinds of incentives to grow and provide new jobs for Oregonians. It could have been a great law.

“I voted for HB 4200 A-Engrossed because it will bring many new jobs to Oregon. An expansion of this bill may be considered during the 2013 regular session, according to the Co-chairs of the special committee.

“As an Oregon Senator, I will continue to advocate for small businesses to ensure that every business has all the tools and opportunities they need to be successful. They are a vital group of taxpayers whose revenue is sorely needed.”

HB 4200 – Kruse requested the following explanation of vote be entered into the Journal:

“I voted against this measure because of two Constitutional issues. First the measure compels a future Legislative Assembly and second because it creates an inequity in the tax code. The Constitution is very clear on both of these points and it is very short sighted of us not to recognize this point.

“I want to make it very clear I fully support Nike and their expansion, but there was a better way to accomplish this and we chose not to do the right thing.”

HB 4200 – Olsen requested the following explanation of vote be entered into the Journal:

“I need not expound on the benefits that Nike brings to our state. It is apparent. The permanent jobs and the temporary jobs that will be created is a benefit to our communities. My NO vote was for all those companies that do not reap the benefits of this legislation.”

Senate reverted to the order of Third Reading of Senate Measures by unanimous consent at the request of the Chair.

SCR 221 – Under rules suspension, read in its entirety and placed on final adoption. Carried by Burdick. On adoption of resolution, the vote was: Ayes, 27; excused, 3 – Atkinson, Bates, Starr. Resolution adopted.

The Senate proceeded to consideration of the memorial commemorating the life and service of former State Senator Lenn L. Hannon.

Oregon State Senate

IN MEMORIAM

Former Senator Lenn L. Hannon, 1943-2010

Whereas Lenn Hannon was born in Roseburg, Oregon, on July 4, 1943, and died at his home in Salem on April 1, 2010; and

Whereas Lenn Hannon and his wife, Dixie, lived most of their lives in Ashland, where they raised their five children; and

Whereas Lenn Hannon attended Southern Oregon College and then worked as a Medford public transit bus driver; and

Whereas Lenn Hannon, in 1966, met and married Dixie Gibbs, who had been a daily passenger on his bus; and

Whereas Lenn Hannon was first elected to the Oregon Senate in 1974 and represented the Senate district that covers Ashland and much of the southern portion of Jackson County until his retirement from the Senate in 2004; and

Whereas Lenn Hannon won his Senate election in 1974 by 47 votes, earning him the nickname of "Landslide Lenny"; and

Whereas Lenn Hannon first ran as a Democrat but switched to the Republican Party in 1980, becoming known for his close

bipartisan friendships in both houses of the Oregon Legislative Assembly; and

Whereas Lenn Hannon fought for funding for countless Southern Oregon projects, including the Oregon Shakespeare Festival and renovation of the Medford Armory, and led the charge in re-naming Southern Oregon College to Southern Oregon University; and

Whereas Lenn Hannon was a leader in securing \$20 million in state bonding for a library at Southern Oregon University, which, after it was built, was named in 2004 the "Lenn and Dixie Hannon Library"; and

Whereas Lenn Hannon served on the legislature's Ways and Means Committee for two decades; and

Whereas Lenn Hannon, in 2003 when the Senate was evenly divided between the two parties, was elected Senate President Pro Tempore and worked closely with the Senate President and leadership of both parties in deciding how to proceed on the major issues of the session; and

Whereas Lenn Hannon was known as a fierce and ardent advocate for health care and provision of financial aid for students; and

Whereas Lenn Hannon retired from the Senate in 2004 and was appointed to the Board of Parole and Post-Prison Supervision by Governor Kulongoski; and

Whereas Lenn Hannon, in addition to his many achievements as an Oregon Senate leader, served six years as a member of the Oregon National Guard; and

Whereas Lenn Hannon was actively involved in his community, serving on the Board of Governors for the Shriners Hospital in Portland, and was a member of the Masonic Lodge, Elks, Lions and Hillah Shrine; and

Whereas Lenn Hannon, in 1995, publicly disclosed and discussed his battle with alcoholism and successful treatment, earning him gratitude from friends and strangers who were encouraged by his admission to enter treatment for their own alcoholism; and

Whereas Lenn Hannon, whose father was a pastor in the Church of the Nazarene, was a deeply religious man who converted to Catholicism, a conversion that gave him great comfort in his later years; now, therefore,

Be It Resolved by the Senate in Session Assembled under Section 4, Article III of the Oregon Constitution:

That we, the members of the Senate of the Seventy-fifth Legislative Assembly, express our sadness upon the death of Lenn Hannon and offer our gratitude and appreciation for his many years of service to the Senate and to the people of this state; and be it further

Memoriam for former Senator Robert G. Kintigh made a Special Order of business immediately by voice vote on motion of Ferrioli.

The Senate proceeded to consideration of the memoriam commemorating the life and service of former State Senator Robert G. Kintigh.

Oregon State Senate

IN MEMORIAM

Robert G. "Bob" Kintigh, 1922-2012

Whereas Robert G. "Bob" Kintigh passed away on March 21, 2012, at the age of 90; and

Whereas Bob Kintigh was born in Irwin, Pennsylvania, in 1922 and planted his first tree at the age of 10; and

Whereas after graduating from Pennsylvania State University in 1943 with a degree in forestry, Bob Kintigh served in the United States Navy during World War II as an officer on a destroyer in the Pacific; and

Whereas after the war, Bob Kintigh earned a master's degree in forestry at the University of California, Berkeley, and then moved with his family to Springfield, Oregon; and

Whereas in 1957, Bob Kintigh purchased an acreage that would later come to be known as Kintigh's Mountain Home Ranch and, with his family, turned the open fields and brush land into an abundant timberland that produces forest seedlings and Christmas trees; and

Whereas in addition to numerous other awards and achievements, Bob Kintigh and his wife, Margaret, were recognized by the National Christmas Tree Association as National Grand Champion Christmas Tree Growers, as well as being named State Tree Farmers of the Year in 2005 by the Oregon Tree Farm System and National Outstanding Tree Farmers of the Year in 2006 by the American Tree Farm System; and

Whereas Bob and Margaret Kintigh grew more than 700 varieties of rhododendrons on their property and were members of the American Rhododendron Society; and

Whereas in 1987 Bob Kintigh decided to take his passion for forestry and his desire to serve and represent Oregon's rural communities to the state legislature; and

Whereas Bob Kintigh served three terms as a senator in the Legislative Assembly, leading the Senate Committee on Agriculture and Natural Resources, and, in his last term, was elected as president pro tempore; and

Whereas Bob Kintigh was instrumental in passing legislation to protect timber harvest rights and improve the Forest Practices Act by emphasizing the importance of erosion control and wildlife habitat protection after logging; and

Whereas Bob Kintigh sponsored the Adopt-a-Highway and Adopt-a-Park programs; and

Whereas Bob Kintigh served as President of the Oregon Small Woodlands Association and as a National Councilman for the Society of American Foresters, as well as serving on the Oregon Forest Resources Institute Board; and

Whereas in 1992 a tree grown by Bob Kintigh was chosen for display in the Blue Room at the White House; and

Whereas throughout his life, Bob Kintigh was a tireless

advocate for sustainable forestry, private tree growers and rural communities and was dedicated to educating other landowners and the public about good forestry practices; now, therefore.

Be It Resolved by the Senate in Session Assembled under Section 4, Article III of the Oregon Constitution: That we, the members of the Senate of the Seventy-sixth Legislative Assembly of the State of Oregon, recognize, honor and celebrate the life and achievements of Bob Kintigh and his great contributions to our state; and be it further Resolved, That a copy of this resolution shall be presented to the family of Bob Kintigh as an expression of our condolences.
