Senate Majority Leader Kate Lieber Responds to March Revenue Forecast

SALEM, Ore - This morning, the Senate Committee on Finance and Revenue met jointly with the House Committee on Revenue to hear the March Revenue Forecast. [Senate Majority Leader Kate Lieber](#) (D-Beaverton) issued the following statement in response:

“Our state is in a stronger position than anticipated because Oregon workers and businesses are delivering. We must continue to responsibly manage Oregonians’ hard-earned tax dollars and prepare for the future, while maintaining critical support for Oregon’s working families and communities in every part of our state.

“Every Oregonian needs to see and feel the benefits of our economy. From making sure our schools and teachers have resources to educate Oregon’s next generation of leaders to building more housing and addressing homelessness to jump starting new, good-paying jobs, Oregon Senate Democrats will work to make these key investments while protecting the safety nets that keep our state on solid financial ground.”

During the 2023 Legislative Session, Oregon Senate Democrats are standing up for the [“Oregon Works” agenda](#) to ensure every Oregonian lives with dignity in safe, sustainable communities free from racism and discrimination with equal access to quality health care, world-class schools, and secure, good-paying jobs.
