## **Statement by Senate Majority Leader Ginny Burdick on Senate Republican walkout**

SALEM – Oregon Senate Majority Leader Ginny Burdick (D-Portland) released the following statement this morning regarding the walkout staged by the Oregon Senate Republicans:

“Oregonians are hard workers. Whether we are rural or urban we show up to work every day to do the job we are paid to do. The Senate Republicans’ walkout is a slap in the face to all hard-working Oregonians, particularly to those in their districts. The taxpayers are paying them to do a job for their constituents and they are not doing that job. Yet, they are collecting their salaries and per diem payments for not doing their jobs. This is not the example we should set for our children.”
