### **Senate Majority Leader Ginny Burdick Comments on March Revenue Forecast**

SALEM – This morning the Senate Committee on Finance and Revenue met jointly with the House Committee on Revenue to hear the March Revenue Forecast. Senate Majority Leader Ginny Burdick (D-Portland) released this statement in response:

“Oregon’s economy is strong and our outlook is stable. We continue to see high employment rates and an increase in good paying jobs. This Session, Senate Democrats will look ahead to ensure Oregon’s future through significant savings in the Education Stability and Rainy Day Funds. I am encouraged by the results of the work we’ve done and the economic outlook going forward. We must continue to seek equity in our economic growth and prioritize the Oregonians that need the state’s help the most.”
