

Oregon Drug Intervention Plan

SAVING LIVES WITH TREATMENT & PREVENTION

- Urgently expanding mental health and drug treatment
- Increasing access to Medication Assisted Treatment (MAT)
- Building up the drug treatment and mental health workforce
- Prioritizing prevention and educating our kids to stop addiction and overdoses
- Holding the treatment system accountable

Investing in Solutions

1 BEHAVIORAL HEALTH AND DRUG TREATMENT

Investing over \$97 million into our behavioral health and drug treatment system to make recovery more available than drugs and save lives from overdoses.

2 PREVENTION AND EDUCATION

Investing \$16.75 million in prevention and education to protect our kids from deadly drugs.

URGENTLY INCREASING ACCESS TO CARE

Standing up shovel-ready projects to expand drug treatment capacity (\$85.4M). Highlights include:

- **Multnomah County Sobering and Drop Off Center** - emergency behavioral health services and coordination between providers & public safety. (\$10M + additional general funding)
- **Youth Outpatient Treatment from 4D Recovery** in Portland (\$4M)
- **BestCare Treatment Services** in Madras - New 16-bed facility for Latino men and Oregon's first women-specific Latina treatment facility. (\$1.5M)
- **Klamath Basin Behavioral Health** - residential treatment facility with a crisis stabilization center. (\$2.4M)
- **Ontario Medical Plaza** project to convert vacant retail space into an integrated healthcare facility with supported housing units. (\$5.75M)
