Statement by Senate Majority Leader Ginny Burdick on June 2016 Economic and Revenue Forecast

SALEM – Oregon Senate Majority Leader Ginny Burdick (D-Portland) released the following statement this morning regarding the June 2016 Revenue Forecast:

“Today’s economic and revenue forecast speaks for itself. Job growth is going strong, with 5,000 jobs added to the economy every month. State revenue projections continue to grow.

Oregon Senate Democrats remain committed to protecting our investments in education, public health and safety and supporting small businesses. We also are proud of our commitments to refund costs to local communities for fighting wildfires in rural Oregon, responding the Malheur Wildlife Refuge occupation and safety improvements in the aftermath of the tragedy at Umpqua Community College.”
