**Senate Majority Leader Kayse Jama Looks Ahead to
Transportation Vote**

SALEM, Ore. – **Senator Chris Gorsek (D – Gresham)** continues to recover after a medical procedure. **Senate Majority Leader Kayse Jama (D – East Portland, Boring & Damascus)** has this statement:

“The Democratic caucus is a team, and we will eagerly welcome back Senator Gorsek when his continued recovery allows him to return to the chamber. As soon as that happens, Senate Democrats will take the action we've worked toward together for more than a year: shoring up funding for our roads, bridges, and public transit.”
