#### **Statement by Senate Majority Leader Ginny Burdick on December 2016 Economic and Revenue Forecast**

SALEM – Oregon Senate Majority Leader Ginny Burdick (D-Portland) released the following statement this morning regarding the December 2016 Revenue Forecast:

“Our state has recovered from a deep and long recession, and Oregon’s economy is stable. With steady job growth, Oregon still is adding jobs faster than other states. Small businesses – an area of focus for Senate Democrats – have been fueling that growth, adding more jobs than ever before.

We will be working to secure and stabilize funding for schools and critical services that Oregonians depend on. In the 2017 Legislative Session, we will pursue priorities in transportation, education, public health and safety, as well as continuing to support small businesses to keep Oregon’s economy strong.”
