### **Oregon Senate Democrats release 2014 session accomplishments**

*Highlights of the short session include supporting small business & expanding access to higher education*

SALEM – Senate Democrats released summaries of their accomplishments for the 2014 Legislative Session online today. The issue areas in the summaries highlight Senate Democrats’ successes in passing priority legislation to create family-wage jobs, improve access to high-quality K-12 and higher education, and make sure state government delivers for Oregonians.

“During the short session, Senate Democrats got the job done for everyday Oregonians,” said Senate Majority Leader Diane Rosenbaum (D-Portland). “We accelerated job growth by supporting small businesses, expanded access to higher education, and made government work with a balanced budget that protects Oregon’s priorities.”

Senate Democrats also released the 2014 ‘[Check List](#)’ today, illustrating their agenda at the beginning of session and the bills that passed to accomplish each goal.

The customary ‘end-of-session binder’ created by the Senate Majority Office at the completion of each session can be found at [this link](#) or this address:
