Statement from Senate Majority Leader Richard Devlin on Senate funds returned to general fund

“Together with our colleagues from across the aisle, the Senate will give back over \$315,000 to the state general fund at the end of this fiscal year. I want to applaud the members of our chamber for the fiscal discipline they demonstrated, which will allow for these funds to be returned. ”

“In our commitment to demonstrate shared sacrifice during these difficult times, individual Senate members will give back an average of \$6,000 per office.”

“The legislature understands that setting a high standard for use of our legislative accounts is necessary—especially when Oregon families are struggling to make ends meet. Each office is given resources to do the people’s business and we do our best to use those resources efficiently to meet the needs of our constituents.”
