Statement from Senate Majority Leader Diane Rosenbaum

SALEM – Senate Majority Leader Diane Rosenbaum released the following statement this morning following the release of the September 2012 Revenue Forecast:

“Today’s forecast means we’re slowly continuing our path to recovery. I’m encouraged that we’ll be able to protect the critical services that middle class families and the most vulnerable rely on. As the Oregon economy grows stronger, we will need to continue to focus on our priorities – advocating policies that support small businesses and invest in our schools.”
