Representative Lynn Findley Appointed to Senate

SALEM, Ore. – Today, Representative Lynn Findley (R-Vale) was appointed to the District 30 Senate seat, formerly held by Senator Cliff Bentz who resigned earlier this year to run for Congress.

“With a background in fire and aviation management, Lynn brings a deep understanding of the agriculture and natural resource industries,” said Senate Republican Leader, Herman Baertschiger, Jr. (R-Grants Pass). “With seats on the Joint Committee on Tax Expenditures and the Joint Committee on Transportation, he is familiar with the collaboration it takes to serve his constituents in a legislature controlled by one party. Lynn will be a great addition to the Senate Republican Caucus, and I look forward to working with him.”

Representative Findley gave the following statement on the appointment: “I am honored to be selected to serve the people of Senate District 30. It is my goal to positively impact not only my constituents, but Oregonians in every corner of the state.”
