Winters statement on Revenue Forecast

SALEM, OR. - Today, the Office of Economic Analysis released the 2018 Oregon Revenue Forecast. Senate Republican Leader Jackie Winters (R-Salem) released the following statement:

"This revenue forecast shows that Oregon's economy continues to prosper, eliminating the need for any new revenue package during this 35-day short session. Providing tax relief for small business and tax paying Oregonians, while growing Oregon's economy, is our priority."
