Senator Jackie Winters statement on the passing of Secretary of State Dennis Richardson

SALEM – Wednesday, Senator Jackie Winters, R-Salem, released the following statement on the passing of Oregon Secretary of State Dennis Richardson:

“I am deeply saddened today to hear of the passing of my dear friend, Dennis Richardson. Oregon has lost a tireless warrior who continuously motivated those around him with his powerful presence, and strong ethics. It was my honor to serve in the Legislature with Dennis and to call him my friend. I am grateful for our phone calls and the opportunities I had to tell him how proud I was of him.”

Dennis was a true American, his life was one of dedication and service from his time in the military, his time in the Legislature, his time as SOS, and most importantly, his job as husband, father and grandfather. He was a man of great faith, and he lived out his faith every day of his life. I would like to thank his family for sharing him with us for all these years. The Richardson family is in my thoughts and prayers.”
