Statement from Senator Jackie Winters on the passing of former Secretary of State Norma Paulus

SALEM - Senator Jackie Winters (R-Salem) has issued the following statement on the passing of former Oregon Secretary of State Norma Paulus.

“I am saddened to hear of the passing of Norma Paulus. Norma was such an inspiration to me during my time in the executive branch, and was a role model as I decided to seek elected office. She paved the way for so many women in Oregon as the first Republican woman elected to statewide office. She was a trailblazer and a true force to be reckoned with. Norma was a neighbor, a dear friend, a mentor, an inspiration, and a true servant to all Oregonians. I will miss her deeply. To her family, thank you for sharing her with us, my thoughts and prayers are with you.”
