**Senator Winters releases statement on
passage of Measure 101**

SALEM, OR - Senator Jackie Winters (R-Salem) has released the following statement on the passage of Measure 101.

"The voters have approved Measure 101, voting to protect health care for over 300,000 Oregonians. This is a short term fix, and we will need to work to find a bipartisan long term solution. I am hopeful that we will move forward with this bipartisan spirit into the 2018 short session."
