"Equal pay for equal work" **Statement on International Women's Day 2017**

SALEM, Ore.-Today, Senate Republican Leader Ted Ferrioli, of John Day, released the following statement on International Women's Day 2017:

"International Women's Day reminds us to support and cherish all women and to recognize the tremendous impacts women have made throughout all sectors of society. Women have overcome economic, political and social challenges throughout history. We must continue to move forward and work together to advance policies that improve lives, expand opportunity and amplify women's potential and success in Oregon. Women deserve equal pay for equal work and in 2017 this shouldn't still be an issue."
