Statement on Passing of Former Secretary of State Bill Bradbury

SALEM – Oregon State Senator David Brock Smith (R-Port Orford) released the following statement after learning of the passing of his friend, constituent and conservation leader, Bill Bradbury.

“Secretary Bradbury embodied public service during his nearly three decades serving Oregonians. He was a champion of Oregon conservation and worked tirelessly for salmonid resilience and habitat restoration. Even after his retirement from public service, he continued his leadership on these and other conservation issues for the benefit of future generations. My thoughts and prayers go out to his wife Katy, his children and family during this difficult time. God Speed, Mr. Secretary, thank you for your service to Oregon.”
