THIS IS NOT A DRILL.

Tuesday, April 2 at 8:00 AM at the State Capitol we need you to make your voice heard.

In **Hearing Room 50**, lawmakers will be holding a hearing on Senate Bill 978. The bill has been turned into an OMNIBUS FIREARMS bill.

The -1 amendment will be under consideration. It includes regulations around storage of firearms, raising the minimum age to purchase a firearm, and also a backdoor concealed carry ban in certain public buildings. [* Click here to read the -1 amendment *](#)

There will likely be a line forming before 7:30 AM for people to sign up to testify. Testimony will be limited to no more than two minutes per person, so please plan accordingly.
