Rep. Carl Wilson Notes Passing Of Brady Adams

Salem, OR – Deputy House Republican Leader Carl Wilson (R-Grants Pass) remarked today on the passing of longtime Grants Pass resident and philanthropist Brady Adams.

“Brady was the consummate statesman, tough-minded but fair. He realized his opponents were not enemies, just people who were on the wrong path,” Wilson said. “Brady had a great sense of community, staying away from the things that divide and, instead, promoting the common good.”

Adams acted as president and executive vice president of Evergreen Federal Bank. He also dedicated his time and money to building community, serving on some 20 area non-profits and creating more than 50 community projects. Adams also served the citizens of Josephine County in Salem where he served for eight years in the Oregon Senate.

“Thoughts of Brady will always bring a smile,” Wilson concluded.

Carl Wilson serves as State Representative for Grants Pass and Josephine County
