### **Representative Boomer Wright Appointed to Governor's Early Literacy Educator Preparation Council**

**SALEM, OR** – Today, Representative Boomer Wright (R- Reedsport) announced his appointment to the Governor's Early Literacy Educator Preparation Council. The goal of [this council](#) is to improve reading instruction for Oregon students by focusing on teacher preparation programs and licensing requirements.

"I look forward to working with the members of the Early Literacy Educator Preparation Council to ensure our elementary students have a research-based reading curriculum and that educators have the necessary training to ensure student success. All students deserve to be taught the skills necessary for phonemic awareness, phonics, fluency, vocabulary, and comprehension by educators who understand the methodology to teach those skills effectively. I am thankful for the opportunity to serve the students and families of Oregon in tackling this important issue," **said Representative Wright (R-Reedsport).**

Representative Wright was an educator and administrator for over 30 years. He currently serves as the Vice-Chair on the House Committee on Education.
