

Dear Isabel Hernandez:

I have learned of amendments proposed for SB 1070 that would address the impacts of logging and tree plantations on public and private lands in Oregon. I am writing in support of the proposed amendments to help address climate concerns.

You may know of A.O. Wilson's recommendation that 50% of Earth be restored/left in a natural state to give the planet a chance at healing. That is the goal, and any way we can move toward it is of the utmost importance.

Thank you for your attention,  
Susan Haywood
