# Manufactured Home Replacement Resources for Wildfire Recovery

#### Overview

The Wildfire Recovery and Resilience Account (WRRA) grant was funded by the Oregon Legislature for 2020 wildfire recovery. Program funding supports manufactured home/RV repairs or replacement. Funds received from other sources may impact the amount a participant is eligible to receive. Funding amount will be determined based on replacement costs, other funds received, and unmet needs/funding gaps.

### **WRRA Program Eligibility**

- Participants must have owned the destroyed or damaged manufactured home or RV.
- Home must have been the primary, permanent residence.
- Income is at or below 80% area median income for replacement (maximum award will be determined through the review process).
- Income limit is at or below 100% area median income for repairs (maximum award of \$10,000).
- Participants must not yet be in permanent housing.

80% Area Median Income Limits, By Impacted County, Adjusted for Household Size (CDBG 2021)								
Impacted County	1-Person	2-Person	3-Person	4-Person	5-Person	6-Person	7-Person	8-Person
Jackson	\$38,300	\$43,750	\$49,200	\$54,650	\$59,050	\$63,400	\$67,800	\$72,150

# **Location Eligibility**

Homes may be placed:
